*Classic elegance for
Your Home*

Welcome to Modenese Luxury Interiors, where luxury and classic elegance meet to create timeless pieces for your home. Our latest catalogue showcases our stunning collection of luxury classic pianos, each one handcrafted with the utmost attention to detail.

At Modenese Luxury Interiors, we believe that beauty should not only be skin-deep.

That is why we take antique piano mechanisms such as Steinway & Sons, August Forster, Blunthner, Bechstein, Bachman, Baldwin, Krauss, Grotrian Steinweg and rebuild the outside part to give them a new lease of life. Our skilled artisans strip the pianos down to their bare bones, replacing any worn or damaged parts with precision and care. Once the mechanisms have been fully restored, we begin the transformation process.

Whether you choose an antique piano or a new Yamaha piano, you can be sure that you are investing in a piece that will bring you joy for many years to come. So, sit back, relax, and enjoy browsing our stunning collection of luxury classic pianos.

Using only the finest quality solid wood, we handcraft each luxury classic piano to perfection. From the intricate carvings to the subtle curves and contours, every aspect of our pianos is meticulously crafted to create a stunning piece of art that will stand the test of time. We take pride in ensuring that each piano is unique, with its own character and personality.

For those who prefer a new piano, we offer Yamaha pianos that we transform into a luxury classic piece. We pay close attention to the smallest details, such as the type of wood used, the finish, and the hardware, to create a piano that is both beautiful and functional.
