

*SAMPLE FINISHES*

There is something about magic in the process of applying different colors on wooden workpieces.

Otherwise how else would you explain the fact that each the equal items coming from the carver's instrument gains its own character according to the color applied: some become chamberly pompous, others get bright and lively spirits.

A wide range of natural lacquers and paints let us make both the exterior and the soul of the furniture satisfy even the highest demands of our clients.

The secrets of finishing wooden furniture with gold and silver leaf are carefully kept and passed on from generation to generation in Veneto region.

Applying gold and silver decorations to furniture items, our artisans make them truly unique.

A careful attention to every detail: that is the secret of the resplendence and luxury of Modenese Gastone furniture!

Artisans from Venetian Academy of Fine Arts decorate our furniture with handmade natural paintings.

They let breathtaking Italian landscapes, typical Veneto flower ornaments and sophisticated patterns blossom out on the furniture surface.

That's how carved wooden workpieces turn into genuine masterpieces just with a wave of an artist's brush!
